LENSWORK PUBLISHING

LensWork Reader Spotlight
Submissions and Copyright Permissions Form

In our new *Reader Spotlight* feature, we are delighted to bring exposure to the talents of our readers. We publish weekly, three (occasionally four) photographers in a special, downloadable PDF. This PDF if free to members of *LensWork Online*. It's an ideal way to get started in the process of sharing your work with the world and beginning the process of connecting with folks and developing an audience for your work.

Please limit your submission to 8 images. We publish a maximum of six pages for each photographer in the *Reader Spotlight* PDF. Images submitted should be RGB color space, JPEG format (saved to maximum quality), and ready for publication. Horizontal format images should be at least 2100 pixels wide. Vertical format images should be at least 1600 pixels tall.

By your signature at the bottom of this document, you authorize LensWork Publishing to reproduce your copyrighted materials in the manners described in the *LensWork Reader Spotlight* PDF publication only.

I understand that:

- I am the copyright holder of the materials submitted for publication.
- I retain all copyright privileges regarding these images.
- This permission to reproduce my images is granted as a "one time right."
- This permission is granted only for the images submitted for publication.
- It is my responsibility to have obtained model releases where necessary and that I must be able to provide copies of them to LensWork Publishing if required.
- LensWork Publishing is no obligation to compensate me for materials published.
