## Exhibition & Awards

The [Wildling Museum](#) in Solvang, California will exhibit many of my prints from my *Envisioning Habitat* series from July 20th - January 2019 in "Nature Imagined." The Reception is Saturday, July 21st from 3-5pm.

*Tri-Colored Heron And A Skimmer* (featured in *LensWork* #131) is now in the New Orleans Ogden Museum of Southern Art's permanent collection, and a 20-piece puzzle will soon be in the museum shop.

Grey Crowned Cranes "Best in Show" Altered Reality category

Two Snowys "Judges' Choice Award" Altered Reality category

In the [North American Nature Photography Association](#) 2018 competition, *Grey Crowned Cranes* won Best Of Show and *Two Snowy* won a Judges' Choice Award in the Altered Reality category. I am featured in the "Images Of The Week" slideshow throughout 2018. *Expressions 2018* magazine will be available soon and even more of my *Envisioning Habitat* images are included.

### Medow in *LensWork* and *LensWork Extended* #131 *Envisioning Habitat*

"In this series I gather visual assets, then blend multiple photographs to create real and idealized habitats for the birds. Of interest is that this work did not begin this way: there was a path of discovery that required creative problem-solving. Once I let go of reality I was free to create."
