New Website

The features of my re-imagined website include:

- New Landing Page featuring the latest folio
- Landing Page links to the latest posts from my weekly blog, "Postcards from the Creative Journey"
- "Hero Images," with a description of the folio content and links to all pdf publications

For the geeks out there, the site is responsive which means it responds to the device used to view it.

THE NEWEST STORY FROM MY CREATIVE JOURNEY

A Boy's Dream

On a quest for landscape photographs in Central and Eastern Oregon we drove by a sign for the Erickson Airplane Collection. On a whim, we stopped by to look at the old airplanes and then spent the whole day photographing the planes I knew from my childhood books.

This was the first time the dreams of my childhood became real.

Lipka in *LensWork* and *LensWork Extended* #71 *Labyrinth*

Life is a matter of choices — and consequences. In this portfolio of maze-like structures, Joe Lipka takes us on an adventure through a place where there are choices, more choices, and then even more choices — all of which lead to destinies unknown.

Back issues of *LensWork Extended* perpetually [available here](#).
