Exhibition

Five of my Labyrinth Triptychs have been selected to be exhibited in [The FENCE Regional Showcase](#) in Durham, North Carolina between August and November of this year. The exhibit will be part of the [CLICK! Triangle Photographic Festival](#) in October.

I chose the Labyrinth photographs because they have never been exhibited as large prints in a gallery-like setting. Four of the images will be 30" tall and about 65" wide. One horizontal triptych will be about ten feet long.

Life is a matter of choices — and consequences. In this portfolio of maze-like structures, Joe Lipka takes us on an adventure through a place where there are choices, more choices, and then even more choices — all of which lead to destinies unknown.
