New Book

I'm very proud to announce the release of my new photography-based book on Peru, ***The Past is Present: Memories of Peru's Internal Armed Conflict***.

I am selling copies, English or Spanish edition, in part to help fund the free distribution and educational uses of the book and the PDF and virtual online editions in Peru. [Click here](#) for more information or to purchase the book.

If you don't already know about my Guatemala books and would like to, and might be interested in purchasing one, please visit my [website](#).

In early 2018 my next book, on Cuba, will go to press (about the diversity and dignity of young Cubans).

Moller in *LensWork* and *LensWork Extended* #65 *Our Culture is Our Resistance*

Over 11 years ago, in those profoundly beautiful mountains and jungles, I joined my passions for photography and social justice. It is my hope that in some way this work speaks to my vision as an artist and an activist, and most especially to the lives of those in Guatemala who survived and resisted death and exploitation, and who continue to struggle for their land, their basic rights, and their culture.
