Two-person Exhibit

Kim Kauffman

In the Spirit of Friendship

[Mackerel Sky](#) presents, "In the Spirit of Friendship" — a two person exhibit featuring the work of friends Maureen B. Gray and Kim Kauffman.

Runs through March 26, 2017

Kim Kauffman, an artist from Okemos, Michigan, creates "photo-collages," which in this exhibit feature intricate groupings of plant and animal material and man-made objects. Maureen B. Gray, a sculptor from Maple City, Michigan, shows her hand-carved stone sculpture. This is a brilliant pairing that is not to be missed!

Kauffman in LensWork Extended #84 Florilegium

Kauffman offers a richly layered color counterpoint to the formal structure of *Illumitones* (featured in the same issue), yet we see her signature attention to tone and composition.
