New Book

DTLA/37

This new book about vibrant, dynamic landscape of Downtown Los Angeles (En Ville) is a result of the collaboration of two writers (Yennie Cheung and Kathryn McGee) and two photographers (Tim Ronca and Lev Tsimring). Through 37 stories and many more full-color photographs, *DTLA/37* captures the unique people, places, and events that characterize this special area of the city, showcasing how Downtown Los Angeles has

evolved over time, becoming the thriving center it is today. Diverse communities and unexpected establishments convey the colorful nature of this ever-changing place.

Tsimring in *LensWork* and *LensWork Extended* #126 *Parallels*

“With the universal language of photography you won’t need an interpreter to appreciate the parallels in these pairings. From Turkey to Mexico, or Cambodia to Canada, we all make a living, raise our families, and experience the same range of emotions. The cultural aspects only define us in regional ways, but cannot overshadow our shared human nature.”
