#### Personal Photographic Project Workshop

Developing, Exhibiting, and Publishing Your Work

November 3 - 5, 2017

Atlanta, Georgia

Do you have groups of photographs that seem connected but you're not sure how? Do you find yourself making technically sound images that don't collectively say anything? Are you working on a personal project but need to finish it?

If the answer is yes, take your work to the next level with Mark and Tim as they share their insights regarding how they have overcome these challenges and more. Via reviews and discussions of each participant's work, they will offer individualized guidance specific to your personal project goals.
