## Workshop

inVision & Mark Maio present  
**Scotland's Isle of Skye Photography Workshop**

September 16 - 22, 2018

Do you find yourself wanting to concentrate on improving your photography but not finding the time in your everyday life? Join Mark and a small group of like-minded individuals for a one week retreat in this historically dramatic and photographically stunning area of Scotland. For information [click here](#).

### Maio in *LensWork Extended* #90 *Against The Grain*

This project — 16 years in the making — shows us a now-vanished way of life. How does one empty a 600-foot ship filled with grain? One shovel-full at a time; at least they did it this way for generations. Mark Maio photographed the last of these hardworking people and their way of life.
