New Book

DRAINED

Dewi Lewis Publishing

Text by Francis Hodgson

My third monograph *DRAINED* is just published by Dewi Lewis. The second book in a planned series of three, *DRAINED* continues my exploration of the British Fenlands which began in 2016 with *FARMED*. The first edition of my monograph *FARMED* sold out earlier this year. Dewi Lewis has just released a second edition to coincide with the publication of *DRAINED*.

I'll be signing copies of both books at the TPG Bookshop in London on Thursday 11th October from 6 - 8pm and would be delighted for you to join us.

Hart in *LensWork Extended* #85 *Truncated*

Becoming one of the UK's leading landscape photographers, we're delighted to show images from Hart's new book, *Truncated* – a study of the mysteries and rich tonalities in this "cathedral-like" woodland.
