Solo Exhibition & New Publications

Poetry of Place

[The Photographers' Gallery](#) (London)

18 January - 18 February 2018

This will be my first solo exhibition, bringing together my three series to date: *TRUNCATED* (2005–2008), *FARMED* (2009–2015) and *DRAINED* (2016–2017), all of which feature specific geographical regions photographed intensively over a number of years.

To coincide with my exhibition I have launched Collector's Limited Editions of my books:

TRUNCATED (Dewi Lewis Publishing 2009) is limited to an edition of 50 comprising a signed and numbered book with a signed and numbered 12" x 16" selenium toned silver gelatin print. Essay by Gerry Badger.

FARMED (Dewi Lewi Publishing 2016) is limited to an edition of 25 comprising a signed and numbered book with a signed and numbered 12" x 16" selenium toned silver gelatin print. Essay by Collier Brown.

These editions are available to purchase exclusively via my website and ship worldwide. [Click here](#) for more information or to purchase.

Hart in *LensWork Extended* #85 *Truncated*

Becoming one of the UK's leading landscape photographers, we're delighted to show images from Hart's new book, *Truncated* — a study of the mysteries and rich tonalities in this "cathedral-like" woodland.

Back issues of *LensWork Extended* perpetually [available here](#).
