## Updated Website

I have updated my personal site using bootstrap technology and created responsive design.

My site can be viewed on mobile phone, PC, and any type of digital device.

Please visit [my site](http://shigeruyoshida.tokyo) and take a look at my recent work.

I am now making ambrotype print on glass, 8x10 size. It's a merge of new and old technology.

### Yoshida in *LensWork* and *LensWork Extended* #131 *Torii: A Border For Prayer*

"I know I cannot help the victims of the tsunami tragedy, but perhaps I can encourage (through my photographs of these places of prayer) a sense of peace, healing, and restoration for those who lost loved ones, their homes, businesses, and all that they hold dear."

Back issues of *LensWork Extended* perpetually [available here](#).
