San Francisco, California

Friedman in *LensWork Extended* #118 *Equus*

On my journey as an artist I have constantly been looking for new ways to express ideas that have consumed me: the mysteriousness of objects, the relationship of art and science, and the intimate aspects of life. My latest work, *Equus*, has to do with capturing and exploring my long-standing love of and relationship with horses.

Back issues of *LensWork Extended* perpetually [available here](#).
