***The Photography of Wynn Bullock***  
**May - October 2018**  
**Post Ranch Inn, Big Sur**

[The Post Gallery](#) is proud to present an exhibition featuring the photographs of famed Monterey Peninsula photographer, Wynn Bullock. Bullock was inspired by fellow photographer Edward Weston, whose work motivated him to investigate the details of the region through photography. Throughout the 1950s, Bullock clarified his unique point of view, establishing a deep, direct connection with nature, through abstracts and figurative work.
